TERRILL C. MORROW, R.N.	:	RELEASE FROM
LICENSE #26NR 16577000	:	PROBATION
	:	
TO PRACTICE NURSING IN THE	:	
STATE OF NEW JERSEY	:	

This matter was opened to the New Jersey State Board of Nursing (" Board") upon receipt of respondent's request for release from a one year probationary period imposed pursuant to a Consent Order filed by the Board on March 22, 2013 when respondent was first licensed to practice as a nurse. The Board imposed this period of probation because respondent had been convicted of theft of movable property on July 8, 2008, and had been convicted of simple assault on February 18, 2009.

As an applicant, respondent truthfully disclosed his conviction history. There have been no subsequent arrests, and respondent indicates that he has graduated with a B.S. degree from Chamberlain College of Nursing on February 28, 2014. The Board finds that pursuant to the terms of the March 22, 2013 order, termination of probation is warranted.

Accordingly, the Board finding that in light of respondent's good conduct subsequent to licensure, the within order is sufficiently protective of the public health, safety and welfare, and for other good cause shown;

IT IS on this 12<sup>th</sup> day of May, 2014

HEREBY ORDERED that:

1. Respondent's petition for release from the probationary term imposed pursuant to the March 22, 2013 Consent Order is hereby granted, and respondent's nursing license is no longer subject to restriction or encumbrance.
